- Independent Work

TEACHERS REVIEWS

"These centers are absolutely amazing! Your centers are the best things I buy on TpT and I'm so thankful for them! My students look forward to the new ones each month."

"These mat and literacy bundles are one of my go to resources for kindergarten. I like that there is picture support for each activity and the formats are similar each month/theme. A must have! I couldn't be happier and can't wait to use these for years to come!"

" My students LOVE them. They not only keep my students engaged, but they are also having fun while learning. Thank you for an amazing resource.

WHY USE APRIL CENTERS?

1. Provides you with **38 low prep** activities that you can easily add to your day. The different options included will allow you to **meet your students needs** and provide you with plenty of activities to keep students excited for more.

2. These centers are designed with **hands-on, engaging, and fun** activities that will make your students feel like they are playing games. With so many skill included, you will **feel confident** knowing that your students are practicing important skills for this time of year.

3. The **'I Can' posters** will allow for student independence which will give you more uninterrupted time to work in small groups or interventions. The **recording sheets** will quickly allow you to see your students understanding of the activity and skill.
