

GROUNDHOG DAY CRAFTS & ACTIVITIES

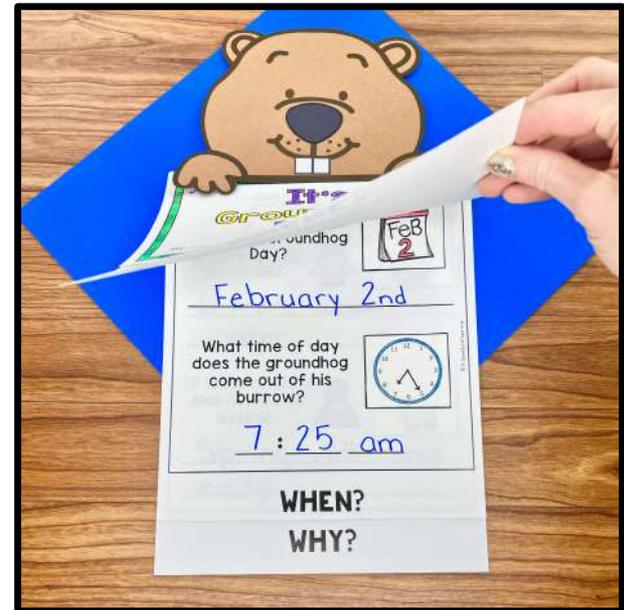

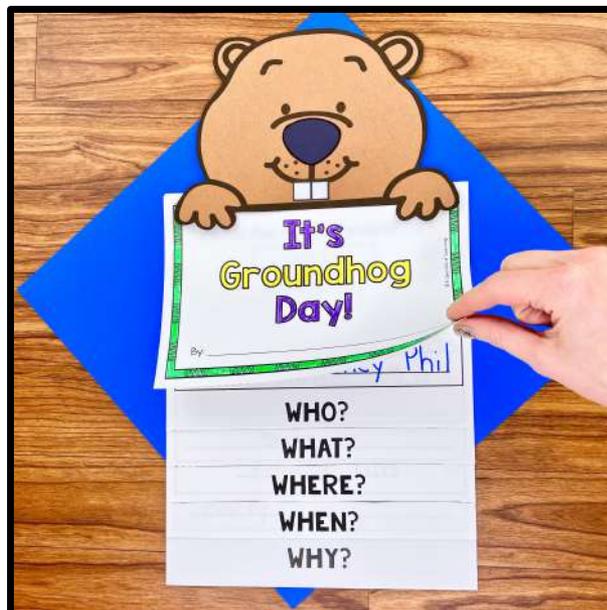

3D CRAFTIVITY

A 3D groundhog that can stand up just about anywhere! Write about what happens when the groundhog does and does not see its shadow. Then, circle whether or not the groundhog saw its shadow on Groundhog Day.

INTERACTIVE FLIP BOOK

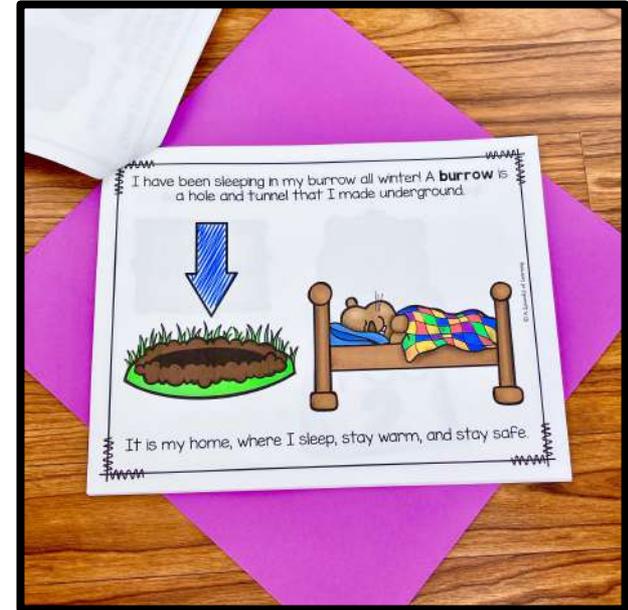

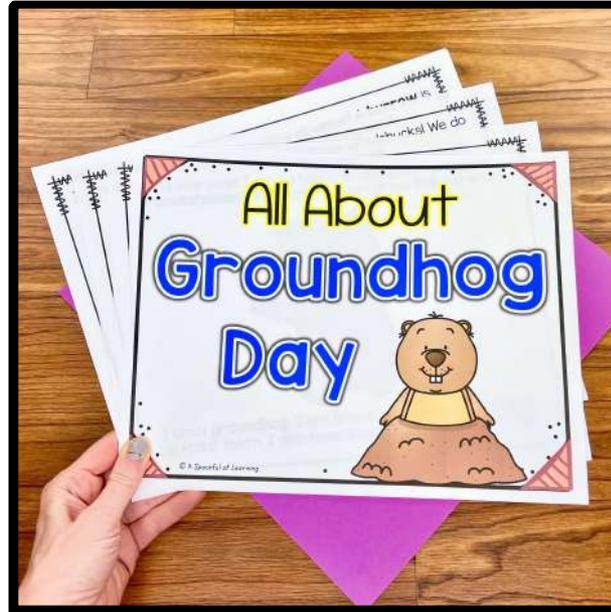

An interactive informational flip book all about Groundhog Day. Glue the correct pictures on to each page of the flip book and fill in the blanks to show the who, what, where, when, and why of Groundhog Day.

GROUNDHOG DAY CRAFTS & ACTIVITIES

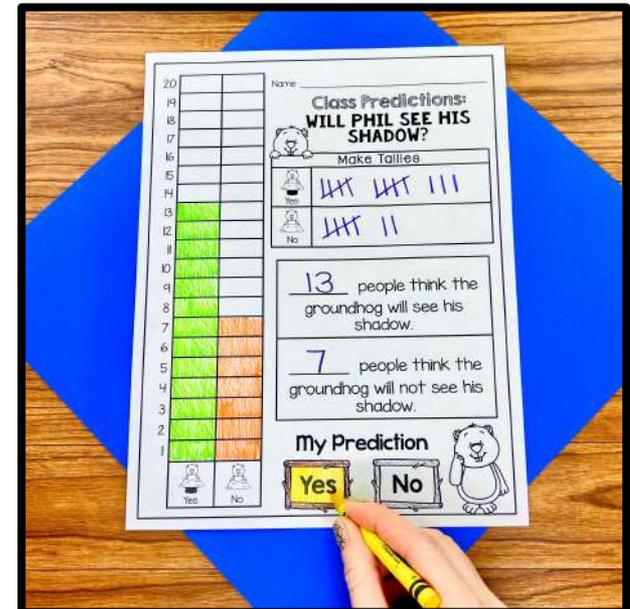

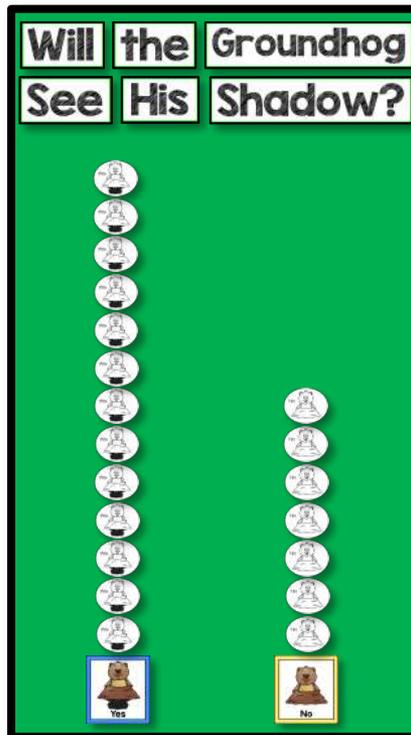

CLASS BOOK

A kid friendly informational book to learn all about Groundhog Day. Pictures are included on each page to help with new vocabulary and learning. (Available in both color and black and white.)

PREDICTION CLASS GRAPH & DATA

Make a prediction on whether the groundhog will or will not see its shadow. Each student places their prediction on a large class graph. Then, complete a graph and data activity to show the results of the class prediction graph.

GROUNDHOG DAY

CRAFTS & ACTIVITIES

STUDENT BOOK

A mini reader all about Groundhog Day. 2 options to choose from:

1. A complete sentence mini book.
2. A fill in the blank mini book.

VOCABULARY CARDS

There is a lot of new words and vocabulary that goes along with Groundhog Day. The vocabulary words are bolded in the class book. Then, you can use these cards to put on a pocket chart or bulletin for visuals.

(Available in both color and black and white.)

GROUNDHOG DAY CRAFTS & ACTIVITIES

HAT

An adorable Groundhog Day hat to wear and show your prediction of what the groundhog will see, the result, and what happens as a result of what the groundhog does or does not see.

POSTERS

Posters to hang up as a reminder of what happens when the groundhog does or does not see its shadow. (Available in both color and black and white.)
