

# Math Centers

# Math Centers

## What's Included?

- 10 Math Centers
- Easy to follow directions and prep.
- 'I Can' Kid Friendly Directions Posters to promote independence.
- Recording Sheet for each activity.
- Hands-on, interactive, and engaging activities!

### What's Missing?

Students will find the missing addend. A number bond work mat is included for students to find the missing addend using feathers that are included. Students will place the correct feather with the missing addend number on the equation. Students will write the complete equation on their recording sheet.

What's Missing?

2 + 4 = 6

Work Mat

#### Let's Prep:

- Print, cut, and laminate the 'I Can' poster, the work mat, and the activity cards.
- Provide a dry erase marker to write the whole number on the work mat.
- Place the work mat in a sheet protector to reuse and for easy erasing.
- Print the student recording sheet.

### Counting Coins

3 options to choose from or use all 3! Students will count dimes, nickels, and/or pennies to find the value. They will place the value on the turkey's head. Students will write and color coins to show the value on their recording sheet.

Counting Coins

Pennies

Nickels

Dimes

60¢

#### Let's Prep:

- Print, cut, and laminate the 'I Can' poster and the activity cards of your choice for durability.
- Print the student recording sheet of your choice.

### Even and Odd

A game to play with 2 or more players. There are 2 options to play.

#### Option 1:

Each player will get their own game board. Player 1 spins two spinners (tens and ones) to get a number. They will determine if the number is even or odd and write that number in the even or odd box on their game board. Player 2 will do the same. Players will keep taking turns. The first player to fill all of the even OR odd boxes (not both) on their game board WINS! Students will record the numbers that they spun.

#### Spin a Number

Spin a Number

Tens

Ones

Even

Odd

#### Let's Prep:

- Print, cut, and laminate the 'I Can' poster and the activity cards.
- \*Tip: Place the game boards in sheet protectors for easy erasing and for durability (optional).
- Provide paperclips for the spinners and dry erase markers for the game boards.
- Print the student recording sheet.

### Let's Measure

Students will measure the length of different pictures using a nonstandard measuring tool. Students will record their measurements.

Let's Measure

6

#### Let's Prep:

- Print, cut, and laminate the 'I Can' poster and the activity cards for durability.
- Print the student recording sheet.
