HOW TO USE AN INTERACTIVE PDF:

These activities do not require internet to play and can be used in any PDF Reader (Adobe, iBooks, Preview, etc.) after they are downloaded.

These games can be played on tablets, laptops, and computers!

*Detailed instructions on how to use these interactive PDFs on these devices are included.

HOW TO PLAY:

These are interactive games where students complete different digital tasks by tapping/clicking on the correct answer. Once they tap/click on the correct answer, part of a mystery image will appear. Students need to find all of the answers correctly to reveal the entire mystery image.

*DIFFERENT GAMES AND SKILLS WILL BE ADDED!
SELF CORRECTING: Students will not be able to move on until the correct answer is found. If a student answers the question correctly, they move on. If they do not, they will be stopped and prompted to try again in order to build their confidence and to master the skill.
